COLMA VOLUNTEER FIRE DEPARTMENT GETS NEW TRUCK

—Photo by Staff Photographer Dale Hovey

All right in it's day—but it's day was long ago! That is how the Colma volunteers described this 1913 Seagrave, which was retired from active duty as their fire truck, Sunday. For details, read the story to the right.

Members Greet New Arrival, Sunday

Sunday was a great day for the Colma Volunteer Fire department. It saw delivery of their brand new super-power fire truck.

Badly in need of new equipment, the Colma volunteers greeted the sleek new truck, a White with all the latest equipment, with unrestrained enthusiasm. They feel that it will aid them in giving better protection to the entire Colma Fire district. It is equipped with a Hale pump, which functions either off a fire hydrant or from an open body of water such as a reservoir or tank.

The versatile new truck is a far cry from the one which has been used by the Colma volunteers since the formation of Daly City Company No. 6. When the local company was formed it took the 1925 Dodge Graham truck. This left the Colma group with only the services of an outmoded 1913 Seagrave model.

Further celebration over the purchase of the fine new truck is set for Saturday evening when the Colma fire department members and their wives will gather at the Colma cafe for their sixteenth annual banquet. Moving pictures of the Sunday arrival of the truck will be shown. A banquet and dancing are planned by the arrangements committee, headed by officers of the group. Fire chief is John Garibaldi; assistant chief, Leslie Balestra; Lieutenant, Colombo Benedetti; captain, George Schenone.

They have a right to look so pleased!

This is the Colma Volunteer Fire department, which received delivery on their new fire truck, Sunday. On the seat are Assistant Chief Leslie Balestra, Mervin Flick. Along the side of the truck are, left to right, Ray Giusti, Chief John Garibaldi, Oreste Rocchi, Lieutenant Colombo Benedetti, Louie Nannini, Joe Luciani, Paul Giusti, Warren Flick, Paul Willbanks, Captain George Schenone, Frank Garibaldi, Attilio Conserva and Paul Martin.

There are twenty members in the Colma company. A few were absent when the picture was taken.

Daly City Trucks To Arrive January 1

Delivery on two of Daly City's new fire trucks will be made about January 1, according to a statement from Fire Chief Andrew P. Chesney today. The new engines will be equipped with 600 gallon pumpers and powered by 127 horse motors.

Early delivery was virtually assured this week following clearances by OPM, and construction work is already under way at the P. E. Van Pelt, Builder of Fire Apparatus and Equipment firm, Oakdale.

In order to get advance practical information and experience in handling the new equipment Chief Chesney, Assistant Chief Arthur Bodien, Captain Gus Ford, Lieutenant Walter Davis, Bert Leahy and other local firemen joined instruction work, Sunday, at Colma where delivery was made on a new fire engine similar to the kinds now under construction for this city. The Daly City engines will be equipped with the same type of Hale pump demonstrated and tested on the Colma apparatus Sunday. This pump functions equally well working directly off a fire hydrant or from an open body of water such as a tank or reservoir.

Chief Chesney declared that he was quite impressed with the performance of the new Colma engine and that he looked forward to deliveries of new apparatus here.

One For Ripley ---And Local Police

It's against the law for a truck to go speeding along Mission street at 4:20 a. m. But it's a story for Ripley when officers give chase, overtake the vehicle, stop it, and find no driver behind the wheel. Yet, virtually, that's what happened here, Sunday morning.

Just before dawn, Sunday, Ofcers Henry Sundermann jr. and George Savage gave chase to a truck that sped over the top of the hill toward San Francisco. They brought the vehicle to a halt at Acton street only to get out of the police car and find the driver's compartment of the truck very, very empty.

Search of the neighborhood found one, Jackson Henry Wood, hiding behind a service station. Wood assured the officers he had come all the way afoot from a Down-peninsula tavern. Officers did not believe the story that he could walk as far and as fast as he claimed. Wood was taken into custody and charged with being drunk in a public place. The truck was impounded and later returned to its rightful owner in Lomita Park.

Plan To Present Two Plays At Colma

"First nighters" will have their chance to attend two plays, October 25.

They are one-acters to be given at the fair and entertainment at Colombo hall for the benefit of Holy Angels church, Colma. The plays are under the direction of Miss Mary Belli, and are entitled "Fixing the Fixer" and "Nightie Night." The actors in the former will be Louise Baciocco, Florence Yauch, Ruth-Etta Lompa, Mary Denegri, and Verna Moresco. In the latter will be Miss Moresco, Laverne Merlo, and Emalie Bertini.

Like to hear songs? Vocal selections will be sung by Barbara Biagini, Josephine Puricelli, and Lawrence Varni. Dante Lembi's cowboy singers and musicians will also be part of the program.

After the entertainment auctions, games, and dancing will take place, while refreshments are served by the committees. Dancing will be to the music of Johnny Dell's union orchestra.

According to Father James Sorasio, a grand and happy time is insured to all comers at the entertainment and festival. The public is cordially invited.

Accidents, Fires Keep Officials Busy

Three minor automobile accidents and five insignificant fires at widely separated spots kept life from getting monotonous for local police and firemen the past few days.

Charles J. Lobdell, 1185A Church street, San Francisco, was charged with drunken driving and taken into custody at 10 p. m. Saturday following an auto accident at Mission street and Templeton avenue. His machine collided with a car driven by Celestino Alfafaro, 1959 Webster street, San Francisco.

Eugene Zanatta, 233 Bellevue avenue, was cited for driving

Jefferson Participates In Employment Program

Jefferson Union high school is participating again, this year, in the National Youth Administration employment program. Funds totalling $3,682 for the part-time employment of needy students have been allotted to seven San Mateo county high schools and one elementary school.

The NYA high school program is administered by the individual schools. At Jefferson, Arthur Smith is in charge. He announces that eighteen students are working; last year, there were 25. The girls and boys assist with work at the library, office, gym and cafeteria.

Group 101 Scouts In Columbus Fete

Before an estimated crowd of 50,000, the landing of Christopher Columbus in the New World in 1492 was re-enacted, Sunday, at San Francisco's traditional celebrtion at Aquatic Park. Prominent in the pageant's cast was Daly City's Boy Scout Troop No. 101, under the direction of Frank Coughlin.

More than forty boys from the troop, including four sea scouts from Ship No. 1, lent by Skipper Mel Hansen, were on hand for the ceremonies, which began at 1 p.m. Those taking part in the Columbus pageant itself were Charlie Rogers and Robert Lane, color guards; William Bellando, assistant scoutmaster, priest; Eddie Denning, Fred Waterman, Ray Gamba, Herbert Buckemeyer, Jack Coleman, Bob Rogers, sailors and guards who came in on the boat with Columbus; Wally Coughlin and Billy Nassano, guards for Queen Isabella; Bob Coughlin, John Savage, Jack Ferro and James Schubert, special orderlies.

Two cubs from Group 101 were in charge of handing out programs. They were Jack Kapor and Emmit Fitzgerald. Scoutmaster Coughlin led the pledge of allegiance to the flag, which opened the exercises. Approximately 50,000 followed him in the pledge. Waterman, official bugler for the day, played as the flag was raised.

Coughlin announced today that the work of the 101 group was so well liked that they have been asked to participate annually in the celebration. He expressed appreciation to Les Vogel, San Francisco auto dealer, who supplied a truck to transport the boys from Daly City to Aquatic park.

Lions To Meet At Hilltop At Noon

Augustin C. Keane, San Francisco attorney and student of international affairs, will address members of the Daly City-Colma Lions club at their luncheon meeting today noon, at Hilltop Lodge. His subject will be "The Nazi Psychosis."

Last Wednesday, the Lions heard Logan Franklin, publisher of the South San Francisco Enterprise discuss "Advertising and the Free Press."

Tickets are now out for the next Ladies Night planned by the Lions. The affair will be a dinner dance, beginning at 7:00 p. m. at Hilltop Lodge. President Dale A. Hovey and Hugh Smith jr. are working on arrangements, assisted by other members of the group. Previous Ladies' Night events staged by the Lions have met with wide success and it is expected that this one will meet with the usual popularity.

Portola Handicap Set For Saturday

Fifteen ranking 3-year-olds have been nominated for the $2,500 Portola Handicap, Saturday, at six furlongs. This engagement is the first exclusive test for 3-year-olds this season and will be followed by the $5,000 San Francisco Handicap November 8 at a mile and a sixteenth.

C. S. Howard's Yankee Dandy may rule a slight favorite in the Portola, pressed closely by N. S. McCarthy's Buckhorn Creek.

His Honor Mayor Angelo Rossi of San Francisco will be the guest of honor, today, with the special handicap named for him. Mayor Rossi is an ardent racing fan.

Northern California's most famous race—the $15,000 Marchbank Handicap—will be run November 22, it was announced today. Date of the mile and an eighth stakes had not been set earlier because the exact dates of the meeting had not been determined when the stakes program was first announced. Nominations will close November 15.

Mayor Fahey Attends Sacramento Convention

Mayor John J. Fahey is attending the California League of Municipalities convention at Sacramento this week.

Among the chief items of business Mayor Fahey will take up at the convention will be the streamlining of Daly City's traffic flow and the continuous improvement of traffic facilities here.

Award Firemen For Long Service

Twenty-five years of active service—that is the record of two Daly City firemen, who were honored, Saturday evening, by fellow members of Company No. 4, D.C.F.D.

Service badges were presented to Fire Chief A. P. Chesney and to Andrew Vireno sr., at ceremonies held at Ric's Place, San Pedro road, Colma. Company No. 4 members and their wives and friends attended the dinner party. Captain Albert Sundstrom welcomed the guests and appointed Assistant Chief A. J. Bodien as master of ceremonies.

Bodien made the presentation of the service badge to Chief Chesney, who thanked all the members for their kindness and cooperation during the 25 years he had been associated with them.

Then, Commissioner J. Coleman, with an appropriate introduction, presented a badge to Andrew Vireno sr. Vireno announced that he was very glad to receive the badge and would be proud to wear it on all occasions.

These two badges, each commemorating a quarter-century of service, are the sixth and seventh to be received by members of Company No. 4. The first to receive one was Treasurer A. L. "Barney" Hilton, who was unable to attend Saturday evening's affair. Other members who have received the badges include R.

Well, That's How It Was, You Know

"In fourteen hundred ninety-two—

Columbus . . . ."

Well, everybody knows what he did. He sailed the ocean blue. And that, friends, is why a lot of you had a holiday, Monday.

Of course, the important thing about Columbus is not merely that he sailed the ocean blue, but that he discovered America, the kind of thing not done every day in the week.

So, because Columbus discovered America, the local city hall was closed, Monday, or nearly. The water department and city clerk's office were not functioning, but the police office was, as always, open and ready for business.

Both the Daly City and Colma branches of the Bank of America took the day off, as did Jefferson Union high school, and all the Daly City grammar schools. Many of the local stores were closed.

Colma PTA Will Hold Hot Dog Sale

Mrs. H. Remington, general chairman, announces that the hot dog sale for the Colma school children will start at noon, today. The sale will be conducted at Thornton, Jefferson, and Jefferson annex. These sales are held frequently by Colma P. T. A. for the local students.

Mrs. Dino Rossi will be in charge of Thornton school and Mrs. Remington in charge of Jefferson and the annex. The charge will be nominal.

The Colma P. T. A.'s regular monthly whist will be held Tuesday, October 21, at 2 p. m. at Jefferson annex. Mrs. Remington and Mrs. Willard Bock will be in charge of the affair.

There will be a cash first and second prize, along with many other lovely awards. The organization cordially invites the public to attend. The ladies in charge asked all the whist players to be present at 2 p. m. as playing will start promptly.

After the card playing the ladies will serve coffee and cake.

The members of the Colma P. T. A. will hold their Father's Night jointly with the other local P. T. A. units at the Jefferson Union high school, October 21.

Mrs. Dino Rossi, Castle street, will be hostess to the executive board and sewing circle, Thursday, October 23. The group had originally planned to meet at the home of Mrs. Burgard, publicity chairman.

The ladies will gather at 1 p. m. for a dessert luncheon, after which the executive board and sewing circle will be held. Main order of business will be the discussion of their birthday activity. A pot-luck dinner will be one of the suggestions discussed.

The Colma unit will send five delegates to the Seventeenth district meeting, tomorrow, at Pescadero. Mrs. B o c k, Mrs. Walter Worth, Mrs. Paul Willbanks, Mrs. H. Remington and Mrs. Marsh are the delegates who will attend.

Sheriff's Posse To Hold Barn Dance

The San Mateo County Sheriff's posse today announced that their plans for a barn dance have been completed. The event is scheduled for Saturday evening, October 18, at 9 p. m. at Bayshore city hall, Bayshore.

Al Lamenet and his popular orchestra will furnish the music, and the posse assures all who attend a grand time. Since the affair is to be a barn dance, everyone is to come in Western clothes, according to the group.

The public is invited to attend.

The oldest licensed car in the state of Connecticut is a 1906 model.

Ladies Auxiliary To Hold Whist Party

Members of the Ladies auxiliary, Company No. 2, D. C. F. D., have completed plans for their card party, Thursday, October 23. The group is newly organized and this will be their first fall whist party.

All card players are invited to be present at the No. 2 firehouse, Vista Grande avenue, at 8:30 p. m. There will be a cash first prize and many other lovely awards.

Mrs. Gus Ford, whist chairman, assures all card players of a grand time. Other ladies of the group will assist Mrs. Ford with the party.

Father Doyle Entertains Court

A group of members from Court St. Mary, No. 1155, C.D.A., and their friends left early Sunday morning to attend mass in the Cloverdale Catholic church, Cloverdale. Father James Doyle, pastor of the church, is an old friend of the court.

Last year a group of members went up to Father Doyle's services and the trip was enjoyed so much that it was repeated again this year. After the services, the group of Daly City people went to Father Doyle's home and a picnic lunch was enjoyed.

Those who attended were: Mr. and Mrs. James Reardon, and children, Marie, Arlene and Jimmy; Mr. and Mrs. B. L. Grummel, Mr. and Mrs. Lee Cocchi and son, Daniel; Mr. and Mrs. Frank McDermott and daughter Anna Mae; Mrs. Agnes Denning; Mrs. Dale, Miss Katherine Core, Mrs. Evelyn Coleman and son, Eddie; Mrs. Grace Bacigalupi and children, Gloria, Jeanne and Buzzy; Angelo Johnson, Frank Grace, Mrs. Johnson, Mrs. Phelan and Mrs. N. May.

The auditing committee recently met at the home of Mrs. Ida Forest, chairman of the trustees, 499 Niantic. The group audited the court's books. Attending, in addition to the book officers, were Christine Luebker, worthy grand regent, and Mrs. Murphy, district deputy.

Tomorrow evening, the ladies will hold their regular social meeting at Masonic hall.

Dangerous Firewood

Mrs. L. Marais of Cyferkuil, Western Transvaal, picked up a piece of firewood while lighting her kitchen fire and found to her horror that she had seized a deadly night adder. With great presence of mind, the housewife struck it against the floor and battered it to death.

To Take Bayshore Highway Bids Soon

Facing a future of even heavier traffic than it now bears, due to defense projects, the Bayshore highway will be widened from a four to six lane artery, according to L. H. Barrett of San Mateo, chairman of the state highway commission.

Bids for a state contract to reconstruct the highway will be taken before the end of this year, said Barrett, and work should be started early in 1942.

It has been pointed out that even at present the highway is carrying more traffic than it can safely bear. Plans have been delayed because of the opposition of the city of San Francisco, which wants the highway re-routed away from Mills field airport, to make possible an expansion of the airport.

P. T. A. Sewing Group Changes Meeting Date

Members of the sewing group of General Pershing P. T. A., today, announced a change in the date and place for their next gathering. The meeting will be held at the home of the sewing chairman, Mrs. Frances Haussler, 41 Alexander avenue, Friday afternoon. Mrs. A. Siino, study group chairman, will be co-hostess.

The meeting will be called to order at 1:30 p. m. All ladies interested in sewing are urged to join the group. Meetings are held once a week.

"The bazaar is getting closer and we still have lots to do," said Mrs. Haussler.

It was announced by Mrs. Nora Clifton, newly installed president, that anyone wishing to attend the Pescadero meeting, tomorrow, should get in touch with Mrs. Ilda Marquis, DElaware 8444, f o r transportation.

San Mateo County Women "Do Their Part"

Convincing evidence that San Mateo county women are going "all out" for humanity in need through their Red Cross work was shown, this week, in the annual report released by the war relief production workroom of the San Mateo County chapter, American Red Cross.

In the production headquarters of the peninsula chapter, and in its branches throughout the county, hundreds of volunteers, ranging in age from school girls of 15 to grandmothers of 80, have turned out thousands of garments, surgical dressings, and knitted articles. According to Mrs. Laurance I. Scott, volunteer service chairman of the San Mateo County chapter, "no task is too great, no details too small, to receive the most painstaking attention from the women whose only thought is service to others."

Production centers which have contributed to last year's output of wearing apparel and dressings are the Burlingame workroom, located in the headquarters of the Burlingame Fire Department, and branch workrooms in San Bruno, Lomita Park, Millbrae, Lawndale, South San Francisco, San Carlos and Belmont.

An appeal to San Mateo county women to volunteer their services to the Red Cross was made by Mrs. Scott. "With the advent of winter, and the attendant need for warm coverings, and with the appalling number of wounded requiring an increased output of surgical dressings, it is urgently necessary that every woman, able to give even a little of her time, help in Red Cross production during the coming months," Mrs. Scott said.

Diversified Ownership

TRAFFIC COURT

Twenty Offenders Pay Fines, Friday

Twenty offenders faced Judge Wade H. Clay at his court, Friday, and paid a total of $121.50 in fines.

The largest fine was handed over by Arthur J. Truttman, Lovchen Gardens, Colma, who paid $50 for drunken driving on Daly City streets.

C. P. Bell, 56 Goethe avenue, was given a $25 suspended fine for reckless driving. His car had rolled down Vista Grande avenue and struck a parked automobile.

Speeding cost the following $10: Vincenzo Fassio, 272 Turk street, San Francisco; Lloyd O. Lockrem, 391 Valencia street, San Francisco; and Richard L. Young, Paso Robles.

Roger Eli Bousquet, 278 Chenery street, San Francisco, paid $5 for speeding, as did Edward Levi Davis, 3255 Polk street; Walter Hammer, 227 Chattanooga street; and Otto Gernandt, 1468 Folsom street, all of San Francisco.

The same offense cost Roy R. Wiseler, 274 DeLong street, $2.50, Edwin F. Hutka, 118 Vicksburg street, San Francisco, $2.50, and Edward Schaefer, 59 Curtis street, San Francisco, the same.

Going through a signal cost Hazel Elliot, Calfax, $2.50; Alfred Callister, 274-29th street, $2.50; and Dorothea D. Scheppler, 146 Granada avenue, $2.50. Both the latter are from San Francisco. Wayne C. Davidson, Oakland, also paid $2.50 for ignoring a signal.

The same offense cost the following $1: Isadore Nassarre, 17 Erikson street, San Francisco, and Dan Christensen, 1220 El Camino Real.

Lloyd Rockwell, 9 Parkview avenue, and Bob Varin, 354 Sussex street, San Francisco, each paid $1 for improper parking.

DYNAMIC TRIO STAR IN FILM AT D. C. THEATRE

Filmdom's most dynamic threesome are starred in Warner Bros.' exciting film, "Manpower," which makes its local bow, tomorrow at the Daly City theatre. The unbeatable star combination which heads the cast is Edward G. Robinson, Marlene Dietrich and George Raft. You can imagine the action and excitement that sweeps through the film when those three get together.

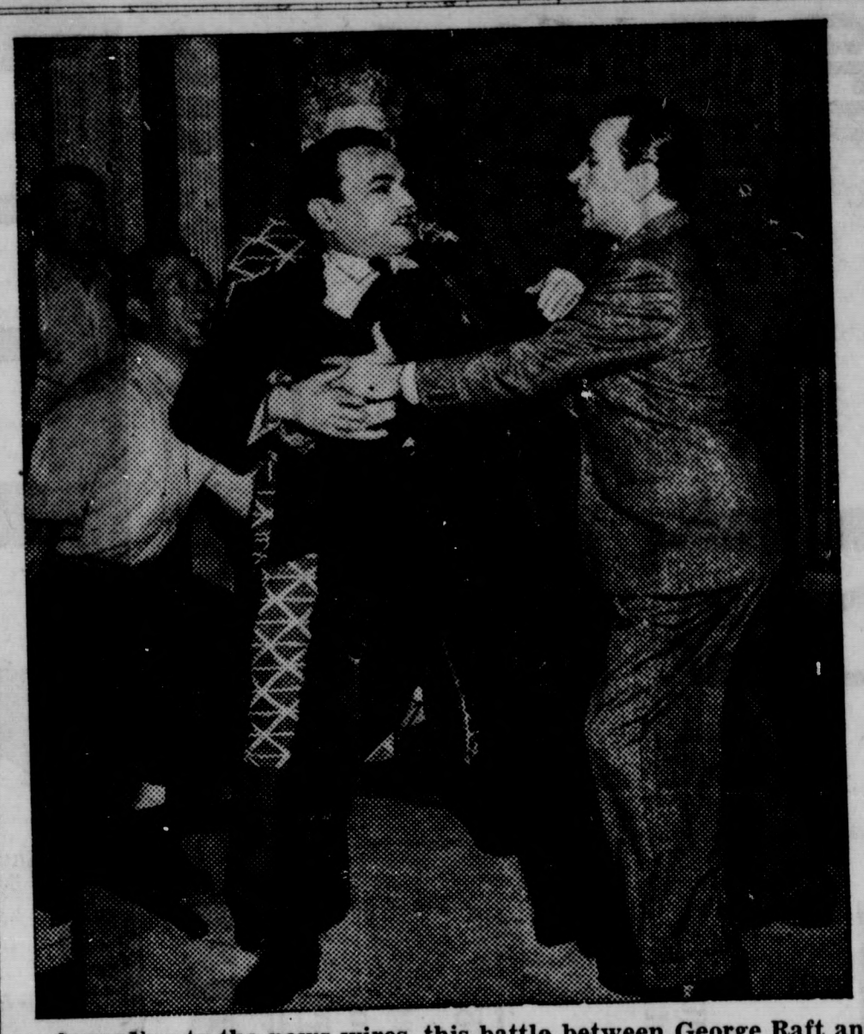
Robinson and Raft play the roles of a couple of robust linemen whose dangerous job it is to repair broken high tension wires. They are great pals, sharing each other's happiness and trouble until a de-lucious blonde, played by alluring Marlene Dietrich, comes along. Hard, cold and calculating, she suspects Robinson of having ulterior motives when he showers her with gifts and shows his affection in many ways. But Robinson is sincere. He has never known the love of a woman and Dietrich becomes his ideal.

Raft sees her for what she is and tells Robinson to forget about her. He says that she has gold-digger's blood in her veins and will bring nothing but trouble to Robinson. Raft goes still further. He asks Dietrich to drop Robinson. That sends her into a rage and she accepts Robinson's marriage proposal partly because she feels sorry for him and partly to spite the embittered Raft.

But a marriage built on spite and pity is bound to have disastrous results. Try as she may, Dietrich can't get used to Robinson's well-meaning, but clumsy ways. And to make things worse, she falls head-over-heels for Raft!

What a setup! The pent-up emotions of those three characters run through their hearts with the power of a high-voltage cable . . . Robinson idolizing Dietrich . . . Raft, at first contemptuous of her, later fascinated by her confession of love for him . . . Dietrich, nearly driven to madness with her pretended love for Robinson, having to listen to him constantly praise the man she really loves. It's a situation loaded with T.N.T., and it explodes in the high-powered climax.

Companion feature on the new bill will be "Border Vigilantes" with Hopalong Cassidy.



According to the news wires, this battle between George Raft and Edward G. Robinson on the set of "Manpower" was one film fracas in which no punches were pulled. The exciting drama opens tomorrow at the Daly City theatre.

Junipero Serra Treats S. F. Woman

Mrs. Ruth Kuhne, San Francisco, was rushed to Junipero Serra hospital, early Monday morning. when a car, driven by her husband, went over an embankment at Mussel Rock. Mrs. Kuhne suffered mostly from shock, while her husband received a slight scratch.

Mrs. Kuhne will be confined to the hospital for several days.

Company No. 3 Enjoys Party at Lido

Several members of Company No. 3, D. C. F. D., spent an enjoyable evening at Lido's in San Francisco, last Friday evening. Those in attendance reported that the floor show was most entertaining, and that they were heartily in favor of more such sociable evenings for the firemen.

Present at the party were Councilman and Mrs. Paul G. Selmi, Commissioner and Mrs. J. Ferro, Captain and Mrs. L. Kennedy, Lieutenant P. Oyhancabal, Miss M. Nolen, Mr. and Mrs. H. Lorenz, Mr. and Mrs. S. Valentino, Mr. and Mrs. E. Clark, Mr and Mrs. J. Craig, Deputy Fire Marshal and Mrs. A. N. Lang.

Studebaker Announces September Statistics

Retail deliveries of Studebaker passenger cars and trucks in the United States during the month of September amounted to 6,791 units, the Studebaker corporation announced today. In September last year, retail deliveries were 7,667. September sales brought the total of cars and trucks delivered at retail in the first nine months of the year to 100,876 units as compared to 76,860 in the same period in 1940.

Factory sales in September amounted to 12, 373 cars and trucks. For the first nine months of 1941 factory sales of 100,279 units contrasted with 81,536 passenger cars and trucks sold in the corresponding period in 1940.

Brownies Go For Hike In Hills Behind D. C.

Twenty-five little Brownies from Scout Pack No. 8, and their leader, Mrs. Frances Leach, went on a hiking excursion, Saturday, October 4, in the hills behind Daly City. The group met at Legion hall at 9:30 a. m. and started on their hike. They were also accompanied by Mrs. Ruth Sullivan.

After playing games, picking flowers and exploring the hills the brownies unpacked their lunches and held an old-fashioned picnic. They returned in the early afternoon.

Mrs. Carol Patrick, Brownie assistant, has asked for a leave of absence. She and her husband were on a vacation trip in Iowa when her husband became ill. They will not return for several months.

During the absence of Mrs. Patrick, Mrs. Virginia Green, San Bruno, has been appointed temporary assistant.

Crocker P. T. A. Has Full Schedule

Crocker P. T. A. is now well into its fall schedule of activities, with numerous events planned for the near future.

The unit was represented at the Presidents' meeting in Burlingame, last Monday, by its president, Mrs. Olga Bordson; vice-president, Mrs. Emma D'Isep; membership chairman, Mrs. Virginia Davidson; historian, Mrs. Eva Hobbs, and Mrs. Ethel Dorn.

Mrs. Lillie Cavagnaro, life membership chairman, announced today that she wishes to thank all who attended her luncheon, last Thursday. The event was successful and almost enough for a life membership was raised, it was reported.

The meeting of the Sew and Sew club, scheduled for Friday, will be held at the home of Mrs. Mildred Seiler, 663 Evergreen avenue, at 10:30 a. m., rather than at the home of Mrs. Vivian Pahlka, as previously announced. All members are urged to attend as the bazaar is to be held soon and there is a great deal of sewing to complete. "Bring sandwiches," the committee said.

Crocker's regular meeting will be held, Tuesday evening, October 21, at Jefferson Union high school, 7:30 p. m. The occasion will be "Fathers Night," and all P. T. A. units of the community are participating. Speaker will be Francis J. Robinson, probation officer for San Mateo county.

A magazine whist has been planned by Crocker unit for Friday, October 24, at the home of Mrs. Martha Wegner, 8 p. m. Members and their friends are invited to attend. Chairman is Mrs. Florence Thorsen.

RADIO BROADCAST

FROM HYDE PARK.—We drove down to New York city after lunch one day and I had a visit from Dr. Reinhold Niebuhr and Dr. James Loeb Jr., who came to ask me to speak at a meeting. They allowed me a choice of dates in October or early December. October is already so filled with obligations and December is filling up so rapidly, that I had a very hard time deciding. I finally agreed that I would try to go, if certain conditions can be met, and if no one can be found who will do a better job than I.

Then I went over to the broadcasting station and went through the usual preliminaries of photographs and rehearsals. I wish my reading time would be the same at least twice, it would save the poor people who run these programs a great deal of trouble. As a result of the broadcast, I had a most entertaining telegram which reads: "Face the fact that Communism and Democracy are not the same and see where that leaves you." It was signed: "An Isolationist."

• • •

DEFINITION OF DEMOCRACY

I must be very dull, because I thought I had made crystal clear that Communism and Democracy are not the same. I thought that I had given a fair definition of what Democracy really is! However, I am delighted to have an opportunity to say here that it seems to me that Democracy has one great advantage over Communism—it really requires the participation of every citizen in the choice of the people to fill government office.

Of course, it would be impossible to have a real democracy in a country which has not so far had, for at least two generations, free public school education and laws which protected people in their right to exercise fundamental freedoms of thought, of speech and of assembly.

Mr. and Mrs. "Isolationist," whoever you may be, facing the fact of this difference between Communism and Democracy, leaves me in just the position I was in when I made my radio speech.

ANOTHER NEW YORK TRIP

One day we caught the six o'clock plane for New York city and worked on my personal mail during an extremely smooth flight. I went home first, where I had a glimpse of Jimmie and Rommie, who were just starting out in their best bibs and tuckers to dine very gaily in celebration of her birthday.

Miss Thompson and I dined in a little restaurant on Sixtieth street near Fifth avenue, which we both like, and had a very leisurely and pleasant meal by ourselves.

The meeting called the next day by the Co-ordinator of Federal Security Services, Mrs. Anna Rosenberg, was a most inspiring occasion. It brings together not only the different agencies under that bureau, but all the other government agencies working in the area. Here were government representatives on a regional level, working out the problems which affected all their different agencies. Thereby, they accomplished results, which, if they had not met together once a month, probably would have taken weeks of correspondence finally to clear up.

In the afternoon, all the state officials joined the meeting. This meant that purely state responsibilities, and the points at which the state officials touch the federal government officials, could also become clarified because of personal contact.

In addition, Lieutenant-Governor Poletti of New York state, state co-ordinator of civilian defense activities, and Maj. Gen. Irving J. Phillipson, representing the military interests of the area, were present. It seemed to me that this was as good a co-ordinating job as I had seen accomplished anywhere in the government.

SOUTH AMERICAN FILMS

One evening the President and I, with our dinner guests, had the pleasure of seeing some new films. One is made from pictures taken during Mr. Julian Bryan's last trip to South America, and his voice gives the running comment.

Life is full of little coincidences, and I smiled when I thought that, only that morning I had read a letter which a young friend wrote from Bogota. She told most interestingly of the country and the life there and casually mentioned that they had been spending some very pleasant hours with Mr. Julian Bryan. Here I was looking at the picture made on his last trip, while he was out making pictures for a future film!

The other picture shown was done under the direction of Mr. Joseph Losey. It is a very charming picture of a nursery school in a rural area. Children are shown in all the activities that are possible in country surroundings. We see them at work and at play. The children range in age from two to seven years. It has no great significance, except that it brings the people who see it a realization of the value of the nursery school. This educational experiment is fairly new in our country. In Europe it has long been known.

SAN MATEO COUNTY NEWS

Recorder's Report

Population figures looked optimistic in San Mateo county last month, according to the report of the county recorder, T. Clark Rice.

There were 86 babies born and only 72 deaths. Marriage licenses were issued to 66 couples.

Throughout the month 2,701 papers were handled for a total of $4,659.30 in fees.

County Supervision

The San Mateo county industrial survey committee, appointed three years ago by County Executive Frederick Peterson, was appropriated en masse, last Tuesday, by the board of supervisors as an advisory group for that body.

Two men, William D. Soule, San Mateo city manager, and U. S. Simonds jr., Burlingame labor official, are on the supervisors' committee, as well as the five original men.

When advised that the supervisors had expropriated his committee, Executive Peterson said, "The supervisors have made a flattering gesture toward me and my committee in naming my appointees to advise them."

The committee, whether under the jurisdiction of the board or the executive, will work with the industrial committee of San Francisco Peninsula, incorporated.

Potato Allotments

The office of the San Mateo County Agricultural Conservation association announced today that 1942 commercial potato allotments will be established for all growers who produced potatoes commercially during any of the past three years or on whose farms potatoes were grown during any of those years.

"New" growers—those not qualifying under the 3-year provision but on whose farms potatoes will be produced commercially in 1942—should make application for a 1942 "permitted acreage," which differs from an allotment in that no AAA allotment payments will be earned, according to M. R. Mattei, chairman of the County Agricultural Conservation committee.

The chairman said details of the program now are available from Harvey L. Hansen, secretary of the association, Room 201 Post Office building, San Jose, California.

See FORD'S GREATEST Now on display

"It is with real pride that we present the new Ford for '42. It is Ford's greatest!—a gleaming, massive beauty, inside and out.

"Lower, with new smartly-styled front end, luxurious appointments, concealed running boards, *beauty of design throughout,* this car far exceeds anything Ford has ever done before.

"In comfort, two features are outstanding. One is its bigness . . . deep, extra-wide seats, big doors, wide-vision windows. The other is its soft, level ride . . . a sensation last year, and now further perfected in softness, quietness and smoothness.

"Under the hood you now have your choice of a "6" or an "8," both engines rugged, reliable, gas-and-oil-savers, outstanding in responsiveness.

"Although production of 1942 Ford cars will be sharply curtailed as the immense program of defense work being carried out by the Company gets into full swing, Ford engineers declare the new cars are unquestionably the finest in the 38 years of the Company's history."

HEY! YOU'RE NO PACHYDERM

You have seen elephants in a circus playing follow the leader, with each elephant holding in his trunk the tail of the elephant ahead.

Well, that is all right for the lumbering pace of the pachyderms, but it is bad practice when automobiles follow each other nose to tail at sixty miles an hour!

Many auto crashes result from following the car ahead too closely. You do not have time to avoid an accident if the driver ahead stops suddenly, or makes an unexpected maneuver. Last week, eight cars, all going north on Bayshore highway, piled up, assertedly, when one car stopped suddenly.

Stay well behind the car ahead. Allow yourself a margin of safety.

SAN MATEO COUNTY TRAFFIC SAFETY COMMISSION

Walk Cautiously!

A paragrapher with a sense of humor bordering on the ghastly quipped recently that the annual pedestrian death toll constitutes California's outstanding "bumper" crop.

The truth in that grim pun is found in figures furnished The Daly City Record by the Bureau of Statistics of the Department of Motor Vehicles showing this type of fatality to be increasing twice as fast as all traffic deaths collectively.

In the decade, 1930-40, pedestrian deaths increased approximately 40 per cent. Last year 1,199 lost their lives in such accidents, a gain of 11.8 per cent over the previous year, while 9,435 others were injured.

From the same source comes word that the figures crawled up at least 10 per cent in the first seven months of 1941. A particularly distressing aspect is the high incidence of pedestrian accidents among young children and the helpless aged.

Here are facts for every resident of Daly City to ponder carefully for the "black months" are approaching when daylight hours grow shorter, city streets are congested with shoppers and the pedestrian accident rate zooms skyward.

State motor vehicle authorities advise safety organizations to train their guns on this type of accident and urge pedestrians to wear an article of white clothing that may readily be seen at night by the drivers.

These are good, practical suggestions. Yet basically, the remedy for this most disgraceful situation lies in strict adherence to the simple rules of safety. It is a problem the individual pedestrian and individual driver must solve. Such accidents are almost 100 per cent preventable.

Deaths from pedestrian accidents constitute a heavy drain on the country's manpower and a serious economic loss. Now as never before should there be universal observance of the slogan: Drive Carefully! Walk Cautiously!

No Blackout

Failure to display tail lights on their baby carriages during the blackout cost four women four shillings (about 80 cents) each. They were fined in magistrate's court at Walsall, Staffordshire. The arrests were made after one of the carriages was hit by an automobile.

Perfect Temperature

Colossal cave, near Benson, Ariz., has been explored for 39 miles. It is without moisture and the temperature remains at 72 degrees the year around.

Woman to Woman

By Marion Conger

Better cooking equipment makes for better recipes. Today dishes are served in every home that would have been unheard of years ago. And new ones are constantly being evolved.

Here's a delicious recipe for honey cookies, easy to bake in a modern oven. Cream one half cup butter and one half cup sugar. Beat in one half cup of honey. Dissolve a half teaspoon of baking soda in a half teaspoon of warm water and add to the mixture. Sift a half teaspoon of cinnamon and a fourth teaspoon of ground cardamon with two cups of flour and stir in.

Marion Conger

The dough should then be dropped on a greased cooky sheet with a teaspoon and pressed flat with the tines of a fork. Bake eight to ten minutes at 400 degrees Fahrenheit, and you'll have approximately two dozen of the best cookies you ever tasted.

★ ★ ★

The smart housewife today keeps her kitchen cupboards well stocked with the staple bottled and preserved foods that she may need some day on short notice. Such things as honey, peanut butter, jam, and relish can be converted quickly into sandwiches for the unexpected guest, or used in new recipes you want to try out.

With most of these things now packaged in attractive glistening glass containers, their eye-appeal almost equals their usefulness in the kitchen. Richly colored preserves and the clear reds and greens of garden vegetables are actually decorative when they show through glass. So don't hide them away behind locked doors, but spread them out in bright array along open shelves.

Use Sink Stoppers

In dry Oklahoma sink stoppers can be part of a police officer's equipment. When Lieut. V. O. Webb and two other officers raided a home a woman emptied a dishpan of liquid into the sink. Webb quickly stoppered the sink, drained and siphoned out a quart of what he says was whisky. He was carrying the stopper in his pocket.

An Old Custom

The customs of women dyeing their hair and tinting their fingernails date back some 4,000 years in Egypt, as is evidenced by pictures in ancient monuments and by mummies.

Wrong Training

Colleges continue to train students for jobs that no longer exist, Chester G. Moore, chairman of the board of the Central Motor Freight association, recently told a conference at the University of Illinois. And all the time, he said, jobs as salesmanager, accountants, office managers, solicitors, traffic managers, and tariff experts—in the trucking industry, are going begging.

Pardon me- have you heard?

San Francisco's Second **OPEN AIR ART SHOW** is slated for Sunday, October 26, in Hotaling Place (between Washington and Jackson and Montgomery and Sansome streets. The show will be open to the public (no admission) from 10 a. m. to midnight. Artists of the San Francisco Bay region are invited to exhibit their work, jury free.

Some 40,000 people came to the first Open Air Art Show Sunday, March 16, this Spring. Ten thousand were turned away for lack of space. Three hundred artists exhibited and over a hundred items were sold. It looks as if there will be more of both visitors and participants this Fall, and the Open Air Art Show committee is arranging for additional space.

There will again be an Art in Action section in Ralph Stackpole's stoneyard. Prominent artists will show how work is created in stone, on canvas, looms, potters' wheels and jewelers' blocks. Ralph Stackpole, designer of Pacifica, and nationally known sculptor will open his stoneyard to the public. There will be free entertainment in the evening.

All California roads will lead to **FORT ORD** in Monterey county, Sunday, October 19. By motor, railroad and bus thousands of civilians will trek to one of the State's biggest national defense establishments where they will do honor by their presence to the army of young defenders of the nation now in military training. It will be the nation's first official V-Day (visitor's day).

Beginning at 11 a. m., and with spectacular events continuously taking place throughout the day, V-Day will be brought to a conclusion with a parade which, in magnitude, will be an unofficial divisional review. All of the soldiery of infantry, horse-drawn and motorized artillery and other units that go to make up a great and powerful land combat force will pass before the assembled civilians on the great plain that is called a parade ground at Fort Ord.

"Hispanic America," a series of **PUBLIC LECTURES** under the auspices of the department of history of the University of San Francisco, was announced by the Reverend William J. Dunne, S. J., president of the university. The lectures will be given on Monday evenings, October 20, 27, November 3, 10, 17, at 8:15 p. m. in the university auditorium, Fulton at Cole street.

"Mexico" will be the title of the first lecture in the series to be given on October 20 by Reverend Peter M. Dunne, S. J., Ph. D., chairman of the university's department of history. On October 27, Dr. Austin F. Macdonald, professor of Political Science at the University of California, will discuss "Argentina."

Following each lecture a recent film of one of the Latin American countries, with narration and technicolor, will be shown. The public is cordially invited.

Boy Weather Prognosticator

Interested in weather, a 14-year-old boy, Roger Keener, a Boy Scout, of Canaan, Conn., has set up his own weather bureau in his home and his predictions have been quite accurate, neighbors say. He has all the necessary instruments for recording wind, humidity, barometer pressure and precipitation. Roger became interested in weather through his scouting work and hopes to go on with his study, expecting to make it his profession later on in life.

If, as salesmen assert, the woman generally has the last word in selecting a new car, the Ford for 1942 is due for a big year. A new "high" in feminine appeal is achieved in the '42 Ford lines, with long graceful fenders, and flowing streamlines combined with a lower body. Running boards are entirely concealed. This is the new Ford Super DeLuxe Tudor Sedan. The Super DeLuxe and DeLuxe lines are equipped at the factory with either the famous V-8 engine or an advanced 90-horsepower "six."

DALY CITY-COLMA LIONS HEAR PUBLISHER

—Photo by Staff Photographer Dale Hovey

Advertising as a fundamental feature of our system of free enterprise was described by Publisher Logan Franklin, South San Francisco Enterprise, at the Lions club meeting last Wednesday. Franklin had been procured to speak in observation of National Newspaper week. He was the guest of Albert H. Boynton, local publisher and Lions club member.

Hull Mentioned

During a press conference in Washington, former Gov. Alf M. Landon of Kansas, inadvertently referred to Secretary of State Hull as "President Hull."

"Is that slip significant?" inquired a reporter.

"Not especially," replied the 1936 Republican presidential candidate, but he conceded that if the Democrats picked Mr. Hull they would at least have a good candidate.

China Elephant

Dr. William W. Christley, Corydon, Ind., dentist, found a tiny china elephant in the debris of the 1937 Ohio river flood. He kept it. Since then, he has collected more than 700 toy elephants, big and little, in every kind of material from ivory to sponge. He keeps them in his office.

Guard President

At President Roosevelt's party for Washington newspaper reporters, guests who had wandered to the south lawn had a queer sensation when they tried to get back into the Mansion and found the doors locked. Peering through the windows they saw that the brightly lighted Red room, the Blue room and the Green room had been suddenly emptied. Before long, a secret service aide came to explain. The rooms had been cleared to allow President Roosevelt to pass through to his private elevator. Just part of closer guarding of the President since the war has become worse.

France will admit tractor engine parts into the country at reduced duties if they are to be used by farmers.

Accidents, Fires Keep Officials Busy

without a license and failing to yield the right-of-way to a pedestrian. Zanatta's citation Friday evening at the intersection of Wellington avenue and Mission street followed an accident involving Mrs. Jack Rocca, 33 Alp street.

A San Mateo man, Jack Armstrong, and Edward Murphy, 173 Cypress avenue, San Bruno, were involved in a minor auto accident Friday afternoon at Mission and Market streets.

FIRES

Grass fires on Niantic street, and Bepler hill Friday afternoon, one on the east side of Hillside boulevard and one on Peoria street Saturday brought out fire fighting equipment last week. Quick response to alarms paid off in the extinguishing of every blaze before there was any property damage.

Sunday activities of the fire department were limited to dousing a flame that got out of control at one of the local eating houses.

Most Spanish Spot

The most Spanish spot under the American flag is the romantic city of Ponce, on the southern coast of the United States territory of Puerto Rico. Although Ponce was the first city to be entered by the Americans who took Puerto Rico in 1898, it has been the last to give up the Latin heritage it derived from its Conquistadores. English is spoken widely in Puerto Rico, but Spanish is the prevailing language in this stronghold of old Castille.

Thrift Shop Counts On Generous Traits

The American people are noted for their open-handedness and generosity . . . and the recently started St. Vincent de Paul Thrift Shop, 6714 Mission street, has faith in this American trait.

They are asking for donations of anything that you have no further use for—anything that might be used by some other and less fortunate human being.

Call DElaware 4363 and have a truck stop at your home for your donations, suggests R. Heller, in charge of the shop.

The articles are resold at a minimum price, and no profit is made by the shop. All funds above expenses are distributed among the churches of the county to be used for purposes of charity.

Troop 101 Initiate Two New Members

John Savage and Fred Zgraggen were initiated into Boy Scout Troop 101, last Monday evening. The boys received their tenderfoot badges in the club room at Scoutmaster Frank Coughlin's home, 443 Irvington street.

The troop will participate in the parade at Seals stadium, Sunday. The parade will be held before the baseball game between the Major League All Stars and Minor League All Stars. After the parade the boys will sit in a special section of the stadium, reserved for boy scouts.

SUMMONS
No. 33247

In the Superior Court of the State of California, in and for the County of San Mateo.

THE ANGLO CALIFORNIA NATIONAL BANK OF SAN FRANCISCO, a national banking association, Plaintiff vs. ELIZABETH TEIXEIRA WILLIAMS, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

WALTER E. DROBISCH, 470 Mills Building, San Francisco, Calif., Attorney for Plaintiff.

The People of the State of California Send Greetings to:

ELIZABETH TEIXEIRA WILLIAMS, Defendant.

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Local Girl Scouts To Picnic Saturday

Plans were completed today for the Girl Scout picnic, to be held at Thornton beach all day Saturday. Mrs. John Mosman, secretary of the Girl Scout committee, announced the time and meeting place as 9:30 a. m. at Hillcrest drive and San Diego avenue.

"The girls will have a grand time," the committee stated. Plans are being made for games and a marshmallow roast. The members of the committee will furnish the lunch. The committee will be out at the beach early to prepare the hot dogs, potato chips, milk and ice-cream for the youngsters.

Mrs. Mosman asked all the girls to contact their leaders as to whether or not they would attend the picnic. "The girls are to let their leaders know today, so we can plan the food and transportation," concluded Mrs. Mosman.

According to the Girl Scouts, their plans for the annual cookies sale, October 25 to November 1, are coming along fine. The girls will start selling their wares on Saturday, October 25. All the proceeds are to go into the Daly City Girl Scout fund.

The girls will go from door to door selling the cookies. Price is nominal and the cookies are good. They will be baked to resemble the traditional girl scout emblem.

Executive Board To Meet This Evening

Members of the executive board of Daly City Unit No. 410, American Legion auxiliary, will meet this evening at 8 p. m. at Legion hall. Discussion will center around final plans for the big spaghetti dinner to be held, October 25, jointly with Daly City Post No. 410.

Commander Arthur Quirmbach heads the post committee which is cooperating with the auxiliary to insure the success of the dinner party. A Hallowe'en motif has been announced.

The local auxiliary reports that their Friday evening pillow case whist was a big success.

On October 5, the San Mateo County Ritualistic team of District 26, American Legion auxiliary, won another cup for their work. They competed, at South San Francisco, in the parade sponsored by the Druids, and took first prize among the marching units. Mrs. Alice Reilly, Daly City, is business manager of the team.

Patsy Benedetti Honored at Party

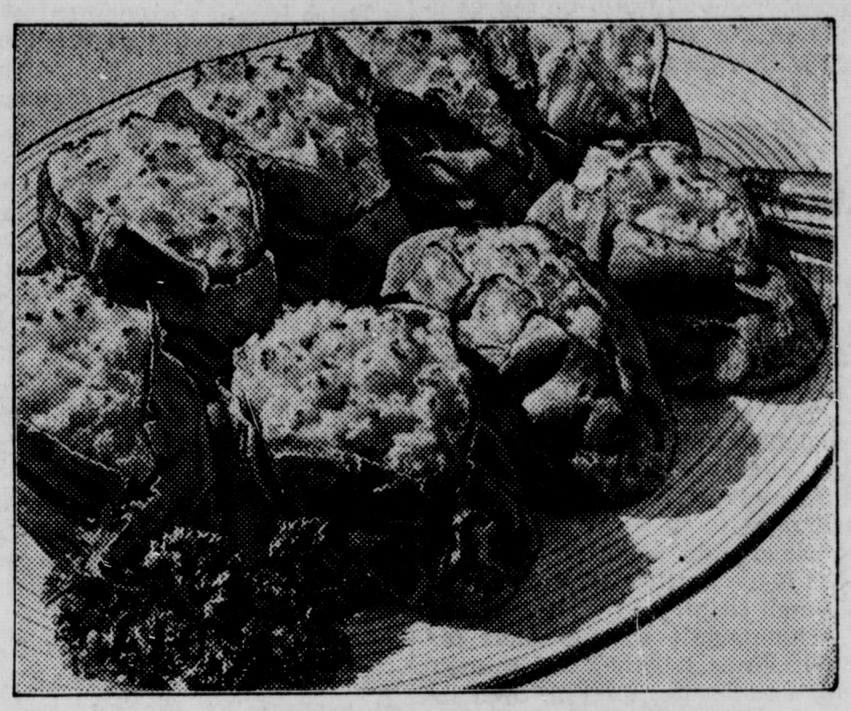
Members of the Black Cats gave a surprise birthday party for Patsy Benedetti last night, at the home of Irene Anderson, 130 Templeton avenue.

After the business meeting was over, cake and ice cream was served. The girls presented the honored guest with many lovely presents.

Next meeting will be held at the home of Lorraine Hill, 127 Templeton avenue. Miss Benedetti will be hostess.

BLUSHING BAKED POTATOES *for school day lunches*

by Dorothy Greig



BIG handsome baked potatoes slashed open, with slathers of butter melting down through their mealiness are a favorite with all of us, from the littlest on up to dad.

They're good for us, too, being rich in vitamins and minerals.

One of the best times of all to serve them is at lunch when the children come in hungry from school. Perhaps you would like to know about my own special way of fixing baked potatoes.

First I add cheese and mix that all through the potato. Then—and here's the surprise—blend in a little condensed tomato soup! This gives the potatoes a rosy hue which always amuses youngsters. It helps likewise to bring out the full flavor of the potato. See how simple it all is:

Bake the potatoes. Scoop out the shells and mash well or put through a ricer. For each medium sized potato add:

2 tbsps. condensed tomato soup
¼ teaspoon salt
pinch of pepper
2 teaspoons butter
1 tbsp. sharp grated cheese

Mix all together thoroughly and put mixture back in potato shell. Brown in hot oven or under broiler.

Cootiettes Elect Officers for New Term

Gold Bug Cootiette Club No. 32, elected their fall officers at a meeting recently held in Redwood City.

Mrs. Allene Lehigh, Daly City, was chosen as Chief Grayback. Others elected to fill the various offices are: Lady Louse Mrs. Alice Faulks, Baby Louse Mrs. Edith Lochbury, Shekel Keeper Mrs. Ann Johnson, Scratcher Mrs. Nellie Jensen, Crummy Chaser Mrs. Viola Dillion, Louse Hunter Mrs. Dessie Miller, Pious Louse Mrs. Bonnie Ellingwood, Tight Wads Mrs. Dolly Hancock, Mrs. Ada Fletcher, Mrs. Ella Klear, Rustling Louse Mrs. Lena Gorse, Two Assistant Rustling Louses, Mrs. Myrtle Irwin and Mrs. Eliza Farliff, Ink Slinging Louses Mrs. Lehigh and Mrs. Miller.

Mrs. Myna Hessron, San Francisco, will be the installing officer. The installation ceremony will be held Saturday, November 8, at Redwood City.

Cigarette Tax

Revenue stamps attached to cigarette packages yield up to $400,000,000 a year to the United States government.

Eastern Star Announces October 20 Whist Party

Past Matron Janet Turner is chairman of the whist party to be held, Monday evening, by the C. C. club of Crocker Chapter No. 382, O. E. S., at Masonic hall. Playing will begin at 8:30 p. m.

Mrs. Turner's committee for the party includes Isabelle Malone, Victoria Grover, Mary Jacques, Margaret Archer, Yolanda Strand and Janette Fischer.

No stated meeting will be held, Monday evening, as the sixty-eighth session, Grand Chapter O. E. S. convenes October 20-24 at Municipal auditorium, Long Beach.

COURT

Judge Art McCrystle presided over his first court session, Thursday. At this first court of the new term, Judge McCrystle and his jury handed out a number of fines.

Rose Cavallero, Evelyn Massoni and Lloyd Rentsch sat on the jury. Claudia Bertini took her place as court recorder and Jack Faulk as chief paddler.

ASSEMBLIES

Tillie Castro, Jefferson's yell-leader, presented a spirited assembly, last Wednesday. Arthur Quirmbach, chemistry teacher and sponsor for the rally committee, demonstrated to the students how the yells should be given. Oscar Busch, musical instructor, and his chorus sang the school songs as they should be sung.

After the singing, Tillie went through most of the yells with the students, demonstrating how to keep time and beat up the words in the yells.

C. S. F.

The second C. S. F. meeting of the school term was called to order by the vice-president, Harvey Melicker. After taking care of old and new business, several of the students presented monologues.

Joe Rodriguez gave a monologue in three acts taking up different sections of "Dr. Jeckl and Mr. Hyde." The program then ended with a monologue entitled, "Bargain Basement" by Viola Pisani.

EXECUTIVE BOARD

Due to the absence of President James Parker, the last executive board meeting was called to order by Roy DeVincenzi, vice-president. Eugenia Rich read the minutes of the previous meeting.

The board decided to hold dancing classes twice a week in the auditorium. The music will be supplied by records. The class will last approximately a half-hour.

The matters of majorette costumes and where to place the senior benches were put aside for the time being. They will be taken up at a later date.

ENTERTAINMENT

Are you going? Of course you are! Nobody wants to miss Jefferson's first night dance of the semester.

Frank Feno, entertainment chairman, today, made the announcement that approximately three hundred students are expected at the "Victory" dance.

Decorations for this dance are really something, according to the committee. There will be a huge "V" placed at the back of the orchestra, a larger one hanging from the ceiling from which red, white and blue streamers will hang. Balloons will be clustered all over the auditorium, and favors will be given with the hat checks.

Bob Croocker will be in charge of the hat checks. His assistant hasn't been chosen.

RALLY

By the sounds of the loud clapping and laughing in Friday's assembly, Roy DeVincenzi and his Rally committee made their usual hit.

The Rally was started off by Tillie Castro and her assistants. The whole idea of the skit was to build up spirit.

The students rocked in their seats as the Andrews sisters, imitated by DeVincenzi, Ralph Capps and Bob Grimes, sang several songs.

Next week's rally will be held in the gym. For the big tussle with Burlingame the rally committee again promises to present several skits for the students' amusement.

NATURE SOCIETY

Members of the Nature society returned home late Saturday afternoon, tired, after a long day of collecting crayfish. The members of the club met in front of the school at 7:30 a. m. and piled into the station wagon, belonging to Arthur and Edgar Smith, two Jefferson teachers.

The crayfish, caught by the members of the group, will be used by the different biology classes.

Arnold Applegarth, biology instructor of Campbell high school, and a group of students, accompanied the local nature club.

Music

Making their usual hit, the Indians of Rhythm presented their first musical program of the school term, Thursday.

The group is made up of almost all new talent, with just a few of the old-timers present.

The program consisted of 21 numbers of musical pieces by the band, songs and dancing.

Songsters were: Louise Sowle, Ardis Hatton, LaVerne Ledesma, Bob Sieler, Tillie Castro, Jerry Lockwood, Curtestine Teal, Esther Hanel, Harlen Ferrando, Daisy Yonan, Ken Hatt, Bob Dyer, Art Knight, Barbara Wilmoth, Pat Marocco, Gannie Giusti.

The Rhythmettes composed of Ardis Hatton, Louise Sowle, and Tillie Castro, sang "Gay Ranchero."

Members of the band are: T. Beeson, E. Belli, E. Blassman, A. Ditty, K. Fretwell, E. Grant, A. Knight, R. McCoy, G. Percival, F. Rival, R. Shiffman, R. Shinazy, G. Snow, C. Teal, D. Thomason, G. Tooth, F. Waterman, S. Whiteley, C. Jackson, L. Girdler, D. Grannis, P. Nolan, R. Lampa, B. Syler, and E. LeMoin.

BAND

From all reports Jefferson's school band, under the direction of Oscar Busch, made a great hit at their first concert of the year, Friday evening. The concert was given at the Bayshore grammar school at 8 p. m.

The program included several selections by the band group. The Woodwind quartet and piano played "Can't You Hear Me Callin' Caroline." Angelo Ditty, Norman Wiseman, Thelma Tvedten, Oscar Busch and Gloria Tooth were the members of the quartet and piano.

A trumpet solo was given by Gene Snow, and an arrangement of Stephen Foster's numbers was given by a brass choir. Dick Grannis, Charles May, Tom Beeson, Bob Seiler, Gene Snow, Fred Waterman, Harvey Melicker, and James Parker were the members of the brass section.

Sports

BASKETBALL

Jefferson's hoopsters certainly brought home honors to Jefferson. Both the 10's and 20's brought the San Jose team down to defeat.

The game was started an hour late due to the late arrival of the San Jose Tech team. The 10's took command of the lead in the beginning of the game and weren't in danger the rest of the game.

The score ended up 19-10 in the little men's favor. High point man of the game was Denning with 6 points. Others who scored were: Johnson, 2; Cordellos, 2; Camillo, 2; Parodi, 2; Welsh, 3, and Meidl, 2.

The 20's team brought a bigger score up against the visiting Tech men. At the end of the playing time the score stood 24-8. The 20's showed too much class for the Tech team and weren't in danger throughout the game.

High point man for the 20's was Rerecich with 6 points. Other scorers were: Allen, 4; Knight, 4; Chreisten, 2; Coen, 2, and Bybee, 4.

G. P. A. L.

Tentative line up for the hockey sports day, Saturday, will be the following girls:

Composing the red team will be: R. Carlsen, R. W.; Blandini, C. F.; G. O'Brien, L. I.; B. Wilmoth, L. W.; Hill, R. H.; Lemon, R F.; Sikeotis, C. H.; Reardon, L. F.; Oxley, L. H., and Falbo, G. G.

Blues are: Finsterbusch, R. W.; Falbo, C. F.; Lundien, L. I.; Dawe, L. W.; Fasshauer, R. H.; Hanel, R. F.; Flatt, C. H.; Bernardi, L. F.; Bledsoe, L. H. and Flabo, G. G.

The girls will leave the school grounds at 8 a. m. and travel down to Stanford university.

All the allied members of the Northern California Field Hockey association will participate in this meet. They will also be represented in the East Bay Sports day at Mills college, November 1.

Campus Fashions

We've talked about hats, shoes, dresses and dodads, but not about one of the most important items in a young girl's career—her complexion.

Yes sir! Without that satin smooth skin you love to touch, all the elaborate dresses or ensembles can't make you a hit of the campus.

Biggest sin of the high school girl is too much make-up and not enough soap.

Skin beauty experts have put their heads together and brought out a few rules. First on their list is cleanliness. If you are sure to remove every speck of your make-up before applying a "new coat" you won't be bothered with unsightly blemishes and blackheads. Next comes good food and plenty of sleep and fresh air.

It's hard to remove all make-up at school before putting on the afternoon paint. But an easy way to remedy that little problem is to tuck a small box in your locker complete with all the beauty aids necessary. In your box you could very easily put a small jar of cleansing cream, cleaning tissue, and hand lotion. It would then be a simple matter to remove your old make-up and look fresh as a daisy the rest of the afternoon.

This week's campus bouquet goes to a dainty little Miss with a lovely complexion.

She has startling blue eyes, jet-black hair that falls to soft shoulder curls. Her favorite pastime is sports. She is an excellent swimmer, besides being able to cut a fancy figure on the glittering ice.

She follows her water sport once a week at the local pool and goes ice-skating. She has hopes of joining an ice-skating club in the near future.

Our little Miss came from Colorado when a high freshman and is now a sophomore.

Yes sir! Virginia Jeffries is her name. She was chic as could be in a darling black corduroy jerkin and skirt, white sweater and stockings. So this week's fashion bouquet of "water lillies" goes to a cute little mermaid.

Jaysee Mothers Club To Sponsor Reading

To raise funds for the cooperative dormitory for men students of the San Mateo junior college and other forms of student aid, the Mothers' club will sponsor a dramatic reading of a modern comedy by Miss Ada R. Beveridge, October 23 at 2:15 p. m., in the auditorium of the main building at Baldwin avenue and San Mateo drive in San Mateo. Miss Beveridge is instructor in charge of speech at the college; she has been active in the Peninsula Little Theatre and is well known on the peninsula for her series of reviews.

The public is invited to hear her in this presentation. Tickets may be obtained locally from Mrs. Felix Foreman, 25 Woodrow street; Mrs. Carl Frei, 280 Los Banos avenue; Mrs. John Ledterman, 758 San Diego avenue, and Mrs. J. G. Morris, 186 Irvington street. Mrs. Floyd E. Huff, Millbrae, is chairman of the project.

At The District Grammar Schools

At Crocker

There is much excitement over the boys' and girls' handball tournament at Crocker. The competition is very keen, inasmuch as both sides are well matched.

ROOM 3

Talks by the pupils in Room 3 were given last week on the ancient countries along the Rhine. A film, "People Who Live in the Mountains" was seen by them. The picture was one of Switzerland, with its snow-capped Alps. Another movie seen by Room 3 was of the history of time-recording instruments.

ROOM 4

During social science period the pupils of Room 4 gave talks on the islands of the Caribbean sea, accompanied by lantern slides.

ROOM 6

At a class meeting held last week, the students of Room 6 voted to go roller skating as their first outside activity. Plans were made to go Saturday morning, October 18.

At Woodrow Wilson

Warren Roath visited Vallejo and told his fellow students about it. His remarks were of special interest because they had recently studied boats. Warren had a small piece of scrap iron to show the class.

Many of the children visited the army camp at Golden Gate park, last weekend. Those for whom it was the first glimpse of army life were David Fisher, Myrna Shrie, Charlotte Taylor, Virginia Marsh, Jimmy McLead, and Mary Lee Lund.

Donald Coy celebrated his tenth birthday, September 29, with a party. Six children helped Donald celebrate the occasion. Many games were played and delicious refreshments were enjoyed by all.

Room 14 is sorry to see Julius Johnson move to San Francisco. All his classmates wish him well in his new venture.

Students in Room 14 are busily engaged in decorating flower vases, which are to be sent to the Red Cross, to be used in some of the army hospitals.

Houses for Poor

Benjamin Mason, Philadelphia Negro, on relief, won $150,000 in an Irish sweepstakes, and promptly took his winnings and put them into a housing project for 71 families, thus replacing a slum block. The Housing authority advanced the remainder of the money.

At Jefferson

Friday, October 3, was the day of the annual boat ride for students of Jefferson grammar school. Sixth, seventh, and eighth graders totaled an even one hundred as they left Daly City, accompanied by their teachers, at 8 a. m.

The many varied and unfamiliar sights and sounds of the walk along the Embarcadero to the pier, near Fisherman's wharf proved to be one of the day's highlights.

The course of the morning's cruise included Belvedere, Tiburon, Sausalito, around Treasure Island, under the two greatest bridges in the world, past Angel and Alcatraz islands, past the ship building plant at Hunter's point, and the great oil tanks at Richmond.

At noon the boat docked at McNear's beach. Picnic tables were soon surrounded and appetites appeased. The next few hours were spent hiking through the hills, swimming, wading, or just relaxing on the beach.

The members of the eighth grade are learning about the Treasury department, how it functions and where it gets the money to pay the expenses of the government.

The most interesting lesson was on how the United States Treasury department prints and coins money and on the disposal of old paper money.

The children have become familiar with the three types of paper money. The class showed a great interest in learning how to detect counterfeit money.

Booming Railway Business

Passenger traffic on the Eastern Bengal railway in India has shown a substantial increase since reported healing powers of the four-year-old son of a Saidpur station agent have become known. The boy is said to be able to cure sufferers by breathing on them.

S. P. Club Takes 8 to 1 Victory

Bill Openshaw, right handed pitcher for the Southern Pacific club, set a Peninsula League strikeout record by striking out nineteen men as his teammates rolled to an easy 8 to 1 win over the Laundry Workers union at Jefferson diamond, Sunday.

Openshaw held the opposition hitless until the seventh inning when Birdsell connected for the first of his pair of doubles.

The S. P. boys lost no time in establishing a lead, ringing up four tallies in the first inning. Karp's double to left center with the bases loaded drove in three of the runs.

Karp, Mayer and Gerughty led the S. P. attack with two bingles apiece while Birdsell, with two, and Losgutoff, with one, accounted for the full quota of hits yielded by Openshaw.

Score for the game, which was under the supervision of the Daly City WPA Recreation department, was:

Skating Clubs Launch Winter Season Meetings

The rhythmic gliding of ice dances and the intricacies of figure skating are again occupying attention of members of San Francisco's major ice skating clubs, who held the first sessions of their new winter season at Winterland, last week.

First ot meet was the Skate and Ski club, pioneer organization of ice and snow enthusiasts, whose members skate, Monday evenings, at the big Post and Steiner streets rink.

On Tuesday evening, the Waltz club held its opening session.

CONCI KEGLERS NOW IN FIRST PLACE

Conci's Service now stands in first place among the eight teams comprising the Daly City Bowling league. Friday night's competition saw them out-kegle the Eagles 3-0. Vieing for second place are Daly City Cleaners and Universal Press, both with nine won and six lost.

The often-defeated Lions club won 2-1 over Curry's Barbers. Milo's Market beat Universal Press 2-1 and the Daly City Cleaners took two games out of three from the Sheriff's team.

Several new high scores were set, Friday. C. Curry now holds high individual single score, 229; the Sheriff's team holds high single game with 926; Persson achieved a new high for individual three-game score, 597.

This Friday evening Milo will play Curry, alleys 1 and 2; Lions play Universal, alleys 3 and 4; Conci plays Sheriff's, alleys 5 and 6; Eagles meet Cleaners in alleys 7 and 8.

Present league standings are:

JEFF INDIANS PLAY FIRST LEAGUE GAME

All attention was focused on the Peninsula high school gridirons, Friday afternoon, as six teams officially opened the 1941 football Peninsula Athletic league. Daly City's own Jefferson Indians met the San Mateo Bearcats on the local gridiron.

The Indians went down to a 13-0 defeat, only after they had put up a tough battle.

The first touch down for San Mateo came in the first quarter. The Bearcats scored again in the middle of the second quarter when they started from their own 45-yard line as one of their players recovered a fumble by Valente. The kick was good for the thirteenth point.

During the first part of the game the Indians looked bad in their end plays, but in the second half they took a turn for the better.

In the second part of the game most of the play went on up and down the field without either side obtaining a score. Whenever the San Mateo boys held the pigskin, Jeff's defense line held and the ball circulated within the Indians' side of the 50-yard line.

Jefferson's back-field runs an average of 140 pounds whiich is comparatively light, according to Coach John Matthews. Composing the back field during most of the game were H. Ferrando, M. Huerta, J. Rainey and R. Valente.

"Our boys really did some good defense work in the second half of the game. The back field wasn't so good in the first half, but during the third and fourth quarters there was a marked improvement.

"Christenson and Tatone were two guards that played good ball. Best center during the game was Roddy Dawe," said Coach Matthews.

Starting lineup for the local eleven was: B. Ekers, center; L. Christenson and J. Tatone, guards; J. Faluk and L. Christofani, tackles; B. Dyer and H. Steele, ends; H. Ferrando, halfback; M. Huerta, full back; J. Rainey, quarterback; R. Valente, halfback.

P.A.L. standings for the seven San Mateo teams are as follows:

	W.	L.	Pts.
Burlingame	1	0	2
San Mateo	1	0	2
Sequoia	1	0	2
South S. F.	0	1	0
San Jose	0	1	0
Jefferson	0	1	0
Palo Alto	0	0	0

Next league game for the Indians will be held, Friday, on their own field, against Burlingame. The kick off is at 3:30 p. m.

For Football Fans

Northern California grid fans have a big week-end of College football in store for them with three games scheduled for Saturday afternoon, October 18, and one game Sunday, October 19.

On Saturday, the Oregon vs. California game to be played at Portland will be broadcast by associated sporteaster, John Carpenter, starting at 1:45 p. m. Station KFRC, San Francisco (610 kcys) and other Mutual network stations will air the game for local listeners.

The Stanford vs. University of San Francisco game at Palo Alto will be described by associated sportscaster, Hal Wolf, commencing at 2:15 p. m. over Station KGO, San Francisco (810 kcys).

From Kezar stadium, San Francisco, the Santa Clara vs. Michigan State game will be "miked" by associated sportscaster, Don Thompson, commencing at 2 p. m. over Station KQW, San Jose (740 kcys).

Sunday afternoon associated sportscaster, Doug Montell, will be at the mocrophone to air the St. Marys college-University of Portland game beginning at 2:15 p. m. to be heard over Station KQW, San Jose.

COLMA "A" WINS OVER SOUTH CITY

Colma "A" team defeated South San Francisco 2-1, Monday evening, in the Eagles' Peninsula league, at Marina bowl. The "B" keglers lost to the Golden Gate Yankees 1-2.

The local teams, who represent Colma Vista Grande Aerie No. 1848, now stand in third and fourth place, respectively, in the league. The "A" has won nine and lost six and is in a three-way tie for third. Colma "B" has won four and lost eleven. It is also in a three-way tie—for fourth place.

Ticket Trickery

If you can get a traffic ticket "fixed" in your town the chances are that more serious offenses are also being condoned, according to the National Consumers tax commission, whose tax reduction drive seeks additional municipal economy and efficiency.

Two Games Sunday At Marchbank Field

It was anybody's game until the final inning! That was the verdict of spectators who, Sunday, saw the 12-Mile House nine defeat the Daly City Juniors at Marchbank field. The 12-Mile House scored 6 runs in the ninth to put the game on ice, 10-8.

Hinsley, the winning pitcher, had the Juniors eating out of his hand after the first inning, until the seventh when the Juniors got 4 runs in 3 hits, 2 walks and 1 error. Hinsley got 18 strikeouts. Chreisten of the Juniors got one of the longest hits in the bowl by knocking a home run over the center fielder's head with the bags loaded.

This was the 11 a. m. game, supervised by the Daly City WPA Recreation department. Lineup for the locals included:

Union high school also took part in the Aquatic park events. They staged a kayak race. Beverly Wadiker and Beatrice Putnam were winners. Acompanying and supervising the girls were Miss Juanita Young and Miss Ella Redkey, instructors.

In the mammoth parade, which preceded the pageant in the morning, a number of Daly City organizations took part. The San Mateo County Sheriff's posse, which numbers several members from Daly City and Colma, won first prize as the best mounted unit in the parade. Judges were army officials and the posse received a grade of 92 per cent for their horsemanship and appearance. The trophy won by the posse was donated by the City of San Francisco.

Pays Debt

L. B. Evans, a farmer of Alberta, Canada., pays his debts even if they are 15 years old. He sent a check for $90 to the city of Los Angeles for his hospital bill in 1925, at the pest house. The city wrote back that the treatments were free, but Evans refused to take back the money.

President Arrested

Ulysses S. Grant was the only President ever arrested during his term of office. He loved fast horses, always had several in the White House stables, and had taken the highest mark for horsemanship in his class at West Point. His record in the high jumps has never been equaled. One day he was driving a spirited team in Washington, exceeded the speed limit, and was arrested by a colored policeman. The President put up a deposit of $20, but never appeared at the police court, and commended the colored policeman for doing his duty.

Museum for Youth

Since the modern youth section of the Illinois State museum was opened in Springfield recently, the usual "Hey, Mom, what's that mean?" approach of juvenile museum visitors is going out of use. For the new branch has been designed throughout to promote the imagination and to brighten the intellect of boys and girls by presenting natural history displays in a way comprehensible to them. Simple, uncrowded displays in specially made cases, together with simply worded labels, go a long way in this direction.

D. C. Ambulance Picks Up Suicide

Answering a call received, Thursday, the Daly City ambulance found Robert Fritsche, **55,** apparently a suicide, dead in his automobile on Skyline boulevard a mile south of the San Francisco-San Mateo county line.

After a coroner's inspection the body was removed to the Lasswell and company funeral home.

Fritsche was a resident of Ukiah, a rancher. He is survived by his brother, Fred Fritsche, San Francisco.

He wrote an incoherent note, apparently while he was dying, to his brother, expressing regret at his act, and asking to be buried in Ukiah.

Also answering the call which came over the air was Cliff Pettigrew, Daly City Garage.
